But you can help keep them honest by voting in the **June 2nd** provincial election.

Ontario Voters Coalition is a grassroots volunteer group dedicated to increasing voter turnout and educating people about policy.

We don't support any particular party, but we know **Doug Ford can't be trusted with another majority!**

In the last four years he has:

Cut safety inspections at for-profit Long-Term Care homes.

Cancelled paid sick days!

Refused to properly compensate nurses and PSWs.

Allowed housing prices to double.

Granted zoning changes to the well-connected developers who funded his last election campaign.

Spent time and \$\$\$ fighting to *weaken* our climate change policies rather than strengthening them.

Your vote can help defend Ontario from Doug Ford's attacks and incompetence!
